

**“A collective approach to improving  
health and safety outcomes in food and  
drink manufacture”**

**– ONE YEAR ON!**

**Warren Pennington**

**HSE General Manufacturing Sector**

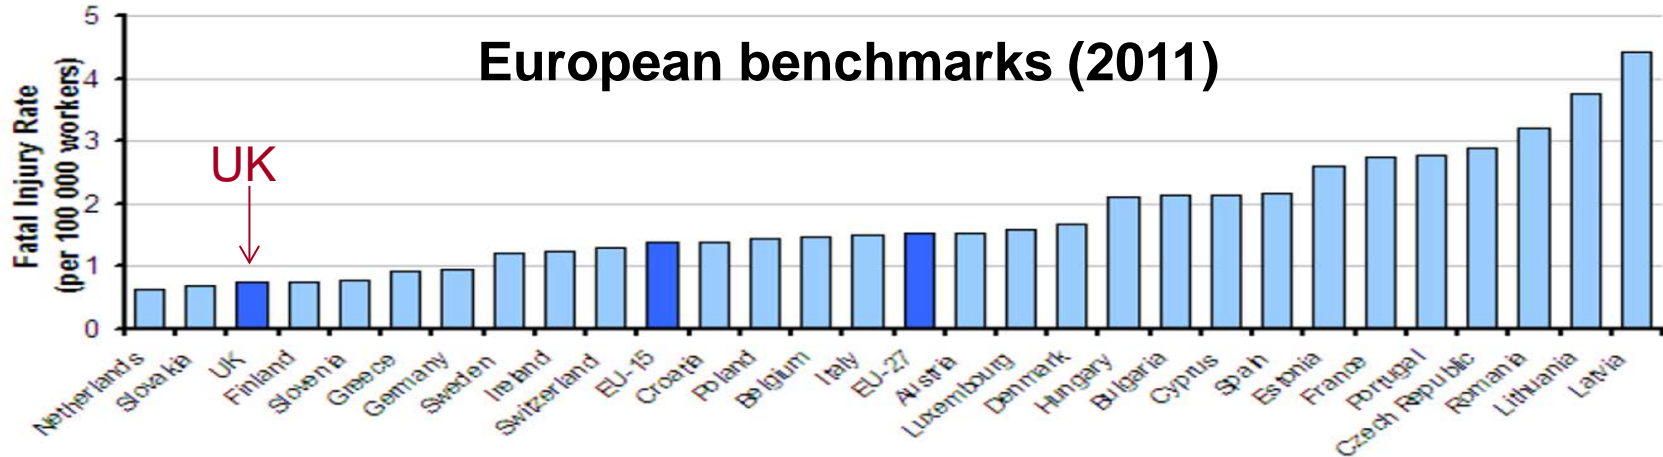

- **How HSE and FDMF have been working hard over the last 12 months to action the high level strategies.**
- **How HGBWW work influences and sets HSE priorities.**
- **How CS work contributes to HGBWW and helps industry to address HSEs priorities.**
- **HSE inspection priorities.**
- **The achievements of the CS thus far.**

# BFFF H&S Seminar 05.07.17

## Where we are now (1)

Fatalities:	651 to 105 employees*	(1974 to 2015/16p).
	* excludes self-employed	
Reported Injuries:	337,000 to 77,000	(1974 to 2011/12).
Ill health cases:	fallen by a third	(since early 1990's).

# BFFF H&S Seminar 05.07.17

## Where we are now (2)

### 2014/15:

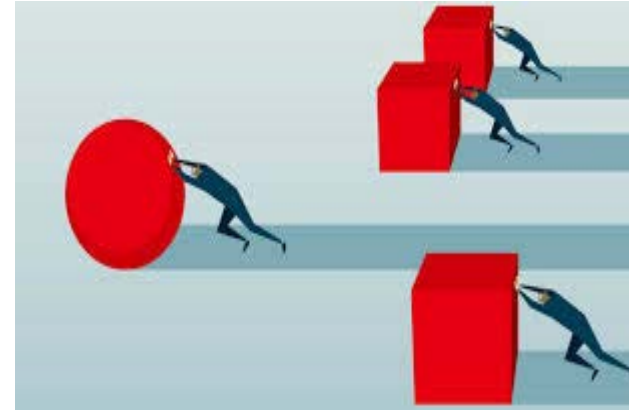

- **611,000** more suffered a non-fatal injury at work.
- **1.2 million** working people were suffering from a work-related illness.
- **£14.3 billion** was the cost to UK of injuries and new cases of ill-health from current working conditions (ill health = 66% of this).
- **27.3million** working days were lost to work-related ill health or injury (MSDs = 40% of this).

# BFFF H&S Seminar 05.07.17

## Need for change:

... redirect, focus efforts.

... work smarter.

# BFFF H&S Seminar 05.07.17

## Motivators for change - Stakeholders & Strategies:

GB SYSTEM  
STRATEGY

Helping  
Great Britain  
**work well**

# BFFF H&S Seminar 05.07.17

## Motivators for change - Stakeholders & Strategies:

### Acting together

Promoting broader ownership of health and safety in Great Britain

### Tackling ill health

Highlighting and tackling the costs of work-related ill health

### Managing risk well

Simplifying risk management and helping business to grow

### Supporting small employers

Giving SMEs simple advice so that they know what they have to do

### Keeping pace with change

Anticipating and tackling new health and safety challenges

### Sharing our success

Promoting the benefits of Great Britain's world-class health and safety system

# BFFF H&S Seminar 05.07.17

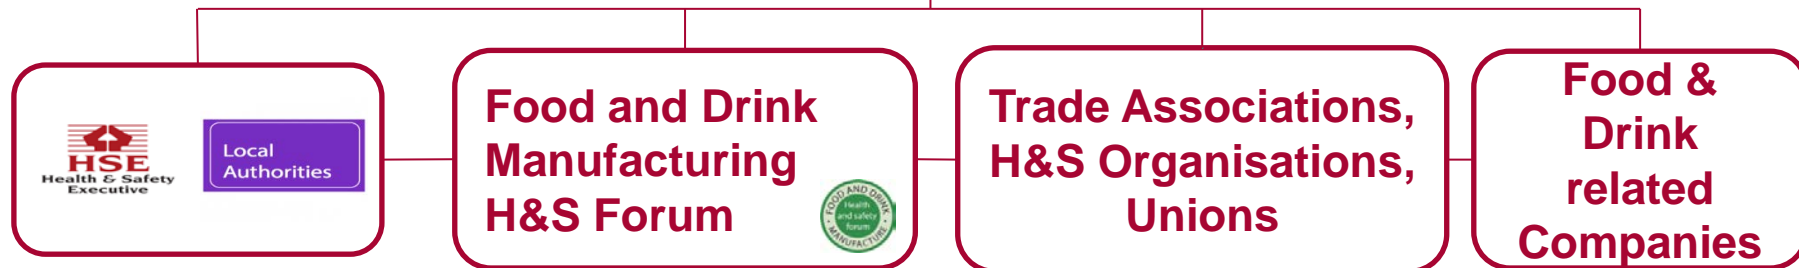

## Motivators for change - Stakeholders & Strategies:

### GB SYSTEM STRATEGY

Helping  
Great Britain  
work well

# BFFF H&S Seminar 05.07.17

## Motivators for change - Stakeholders & Strategies:

Action  
Plans?

# BFFF H&S Seminar 05.07.17

## HSE's Contribution

### HSE Business Plan 2017/18:

HSE's overall **Business Plan** commits HSE to:

- Leading and engaging
- Ensuring an effective regulatory framework
- Securing effective risk mgt. & control

# BFFF H&S Seminar 05.07.17

## HSE's Contribution

### HSE Business Plan 2017/18:

It influences HSE's priorities:

- Emphasising ill health
- Reinforcing proportionate approaches
- Ensuring value for money
- Having effective collaboration

# BFFF H&S Seminar 05.07.17

## HSE's Contribution

### Health and Work Strategy:

HSE's **Health and Work Strategy**  
(to be launched Sept 2017) will  
prioritise:

- Occupational lung disease
- Musculoskeletal disorders
- Occupational stress & related mental health issues.

*e.g. flour dust & enzymes*

*e.g. fish & shell fish proteins*

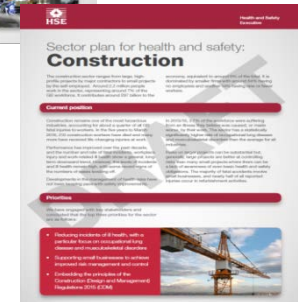

HSE has split GB's workplaces split into 19 sectors.

Each Sector has a Plan.

Plans cover:

- Sector health & safety performance.
- Top three strategic priorities for next 3 to 5 years.

# BFFF H&S Seminar 05.07.17

## HSE's Contribution

### Field Operations Plan 2017/18:

## HSE's **Field Operations Plan:**

No change from last year except for timing.

Visits to food premises planned (1000) for Q4 (unless PLI's or IFIs):

- **MSDs** - all food manufacture (including dairy)
- **Asthmagens** (flour dust & enzymes) - bread, biscuits & cakes, grain mills

# BFFF H&S Seminar 05.07.17

## FDMF's Contribution

### Common Strategy 2016-21:

- FDMF's **Common Strategy** objectives include:
  - Ill-health / injury reduction
  - MSDs
  - Slips & trips
  - Occupational health management
- Delivery will require strong

**Common Strategy** achievements to date include:

- Strategy re-write.
- Agreed minimum actions and yearly action plans.
- Improvements – benchmarking accident stats.
- Support of HSL research.
- National F&D Conference on

However, its “early doors”, we are still a ...

# BFFF H&S Seminar 05.07.17

## In summary:

- Fatal incidents, injuries and ill health greatly reduced since 1974
- Further improvements a big challenge for us all
- The need to work together and for real leadership
- What will you be doing?

# Many thanks
