Dear Mr Waterfall,

Thank you for your recent correspondence which was received at my office on 24th June.

I do appreciate the concerns that you have raised in your email with regard to the Extended Producer Responsibility proposal. Firstly, I was pleased to read that you have contributed to the consultation. I have written to the Environment Secretary, enclosing a copy of your correspondence, to request his comments on the issues you have raised.

Thank you for bringing this to my attention. I shall, of course, ensure a copy of the reply I receive is sent directly to you.

In the meantime, if I can be of further service then, please do not hesitate to contact me.

Yours sincerely,
